

## GUIDELINES FOR USING THE NORTHFIELD RECYCLING CENTER

The facility is open to all Northfield **RESIDENTS**.

Users of the facility must obtain a *public facilities permit* and display on the inside windshield, lower left hand corner of their vehicle(s). Permits may be obtained at **no charge** from the Town Hall or from the attendant during operating hours. You must provide proof of residency, i.e., motor vehicle registration, driver's license and/or tax bill. (for residents who do not use their own vehicle to deliver refuse to the facility, a temporary permit may be obtained from Town Hall).

Refuse must originate from the Town of Northfield. The recycling center is for residential use only. Commercial waste will not be accepted.

All items must be separated.

Failure to abide by these regulations or to obey the attendant shall be a violation and disposal privileges may be revoked.
