

**NORTHFIELD CONSERVATION COMMISSION
MINUTES – OCTOBER 1, 2003**

Meeting called to order at 7:30 by Chairman Cathy Thibeault. Members present: Dave Krause, Cathy Thibeault, Kevin Fife and Christopher Hunt. Also present, Eliza Conde, Secretary.

Ken Lacourse asked the Conservation Commission to review the problem of siltation of water coming from the property owned by Robert and Briana Gallo (Map R6 Lot 45,51 and 28A) on Peverly Road. He presented pictures of the brook as it runs through his property showing the muddy waters. The members of the board reviewed the site plan as approved by the Planning Board and the minutes of the Planning Board meetings which did not show any reference to a drainage problem at the time.

Dave Krause moved, Kevin Fife seconded to send in a letter of complaint to DES. Motion passed. Discussion followed about whether to approach the Gallos another time before sending the complaint to the State. Chairman Cathy Thibeault will send a letter to the Gallos and Christopher Hunt will talk with them to see if a simple solution can be made.

Christopher Hunt moved, Kevin Fife seconded to accept the minutes of September 3, 2003. Motion passed.

The Commission members reviewed the draft of the proposed Wetlands Ordinance and made several changes. Revisions will be made and distributed to members to further review.

Meeting adjourned at 10:30 PM.

Respectfully submitted,

Eliza Conde, Secretary
