

SUPPORT NORTHFIELD PARKS

The Parks Commission is working on each of our Northfield Parks to enhance the use and assist with healthy living. To find out more about the parks and the Parks Commission visit www.northfieldnh.org

Arch Park, entrance is located on Summer Street, on the other side of Arch Cemetery near Town Hall. A great place for picnics, weddings, outings, and sledding. The goal is to start with some much-needed repairs to lights, the arch, tables and benches.

Blais Park is located at the end of Cross Mill Rd just before the bridge heading into Franklin. This natural area is a great place to park to enjoy kayaking in the Winnepesaukee River or hiking, walking or riding your bike along the Winni River Trail. Mainly this park needs just some clean up maintenance and trimming of vegetation.

Glines Park is located on Sandogardy Pond at the end of Glines Park Rd. The town beach has a playground, great for boating, swimming and picnics. The goal is to be able to reopen the bath house, clean up the beach, enhance the playground and add/repair the picnic areas.

Pines Park is located on the corner of Park St and Dearborn Rd just behind the Police Station. Currently under renovation, the goal is to enhance the park to bring a place for outings, family gatherings, seasonal Town events, adding structures such as a gazebo, and repairing and expanding existing structures.

Surrette Park is located off of Park St on Gibson Mill Rd. Currently the focus is to enhance the park for more recreational activities by repairing the skate park, adding a softball field, pump track, dog park and a playground.
