

******* PRESS RELEASE – Northfield Police, 6-3-14 *******

On 6-2-14 at approximately 3:42 pm the Northfield Police Department along with the Tilton-Northfield Fire Department responded to 34 Gifford Dr. for a report of an unresponsive female pinned underneath a porch. Neighbors also arrived and assisted on scene prior to emergency personnel arriving, and performed CPR in an attempt to resuscitate the victim. The victim was subsequently pronounced dead on scene by fire department personnel. She has been identified as Sherry Isabelle, 57 years old, of 34 Gifford Dr. in Northfield. The juvenile was transported to Franklin Regional Hospital, where he was treated for non life threatening injuries. A separate child passenger was not injured

Initial information suggests that Sherry was riding in the passenger seat of a golf cart being operated by her 5 year old grandchild in her yard. The grandchild lost control of the golf cart and struck a porch attached to the home, causing fatal injuries to Sherry. The incident is currently under investigation by the Northfield Police Department. Anyone with any information relating to the incident is asked to contact the Northfield Police Department. No charges are expected to be filed at this time.

The Northfield Police Department would also like to ask all to take proper safety precautions when operating recreational vehicles, to include golf carts. As we enter the summer months and residents begin to use these and other recreational OHRV's, we remind everyone that there are risks and dangers associated with these activities.
