

**TOWN OF NORTHFIELD
PLANNING BOARD SITE WALK
January 12, 2013
Minutes**

Members present: Doug Read, Kim Robichaud, Jason Durgin, Wayne Crowley, Glen Brown and Mike Murphy.

Members visited the excavation site at 55 Ledge Road which now complies with the town's regulations relative to slope and setbacks. Because there is now a wet area within the excavated site, the Board will re-visit the property in the spring to determine whether the water table has been reached and if drainage will be an issue.

Meeting adjourned at 8:15 am.

Respectfully submitted,

Eliza Conde, Secretary
