

**NORTHFIELD PLANNING BOARD
SITE WALK – AUGUST 20, 2012
MINUTES**

Members present: Glen Brown, Mike Murphy, Doug Read, Jason Durgin, Kim Robichaud and Ed Greene.

The Planning Board will conduct a site walk at 55 Ledge Road for compliance with the agreement set forth by the Board with Chester and Margaret Miller for a temporary sand pit.

The site was reviewed and measured by members of the Planning Board. Mr. Miller stated that approximately 500 yards of sand has been removed and that the Bean Hill project will not require any more sand. In order to level out the lot either more sand needs to be removed or grading needs to be done to create a usable area. Mr. Miller agreed to meet with the Planning Board at its September 10, 2012 meeting to discuss possible solutions.

Meeting adjourned at 7:00 PM.

Respectfully submitted,

Eliza Conde, Secretary
