

## **Police Officer**

The Northfield Police Department is now currently seeking Full-Time Certified applicants to fill a current vacancy. Applications from full time certified candidates will be accepted at any time with no closing date for submission.

Applicants must be at least 21 years of age, possess a valid driver's license, be a US Citizen, and be able to pass an extensive background investigation to include polygraph examination, psychological evaluation, and successfully pass a physical agility test. A high school diploma or equivalent is required, and post-secondary education is preferred, with a focus on criminal justice or a related field. Applicants must also possess a Full Time police certification from NH, or another state, provided that they can successfully obtain a NH certification based on their prior experience after being hired.

Benefits include 11 paid holidays, paid personal and vacation days, short and long term disability coverage, life insurance, medical and dental insurance, as well as wellness reimbursement program. The Town of Northfield also offers a buyout program of up to \$10,000.00 per year, if you have other options for medical insurance coverage.

The Town of Northfield offers competitive pay and benefits packages. Salary for certified officers is determined based on prior law enforcement experience. Responsibilities include standard patrol functions, traffic control and enforcement. Additional opportunities available include criminal investigations, police motorcycle, bike patrol, DARE and community relations.
