The selectmen discussed cruiser 15A. This vehicle was recently involved in a traffic accident and the towns risk manager Primex has stated that the cruiser sustained a total loss. The Selectmen discussed with Lt. Hutchinson on what options do we have. Lt. Hutchinson stated that we have found a new cruiser in Massachusetts for approx. 33,000.00. The T/A stated that we have an insurance payout for the old cruiser after a \$1,000.00 deductible of \$9,950.00, we have \$17,000.00 in the Detail fund and \$30,000.00 in the cruiser fund. The Selectmen instructed Lt. Hutchinson to contact the Massachusetts Company about purchasing the cruiser and to hold it for the town. The town will move forward with the replacement vehicle, due to being down a cruiser.

Discussion then turned to the emergency equipment in the cruiser. Primex will cover 75% of the cost on any equipment that has to be replaced and the town will pay 25% due to depreciation costs.
