

NORTHFIELD BOARD OF SELECTMEN MEETING
Meeting Minutes of March 28, 2019

Present: Sel. Wayne Crowley, Sel. Glen Brown, Sel. Scott Haskins
Also Present: Andy Buteau, Stephanie Giovannucci, Josh McAllister, Dan Lucchetti

Meeting was called to order at 9:03am

Project Resume

Josh McAllister, of HEB Engineers stated that Hiltz Construction is planning on starting May 1, 2019.

Railroad Culvert

Sel. Crowley noted that there are a few issues with the agreement. McAllister stated that he will set up a joint meeting with the State to go over the agreement. Sel. Crowley stated that he feels this was a major oversight by HEB.

Board members asked what the alternative would be if we do not do the culvert. McAllister stated that ditch lines would need to be created down the road, but this would be expensive and feels the water needs an outlet, in addition we'd have to remove the cross culvert.

Other

The Board and HEB reviewed and discussed a list of unfinished items such as the utility poles, retention pond, driveway aprons, driveway issues, other drainage issues, ditch lines, culverts and other drainage issues. McAllister stated that the project is not over, and these are all items they are working on and will be completed at the end of the project.

There being no other business meeting adjourned at 10:15am

Minutes Approved April 9, 2019
