

TOWN OF NORTHFIELD
ELECTRONIC NEWSLETTER POLICY

I. Purpose

The purpose of Northfield's electronic newsletter is to provide the public with accurate and accessible information concerning town government and services, to provide information concerning events and programs of those organizations which receive direct financial contributions from the Northfield taxpayers and to inform citizens of local events.

II. Content

The Northfield town electronic newsletter submissions are limited to:

1. Town government – information concerning the operations, meetings, events, activities, and similar information about Town boards, committees and departments.
2. Community News - news relating to current issues in town government effecting Northfield residents, such as tax rates, election results and similar issues.
3. Community events – information concerning:
 - a. Community programs and events of those non-profit groups which the citizens of Northfield have chosen to support through an appropriation voted upon and approved at town meeting.
 - b. Events such as races, benefit suppers, dances, and similar happenings organized by residents or local non-profit groups and which occur in Northfield or a neighboring community.
 - c. Advertisements for programs and events deemed by the Board of Selectmen to be advantageous to the citizens of Northfield.
