

## TOWN OF NORTHFIELD PLANNING BOARD

---

### MINOR SUBDIVISION – APPLICATION PROCESS

Whenever any subdivision of land is proposed, no land within that subdivision shall be sold, transferred, leased, altered, or cleared; no road construction or building development shall be started, no permit for the erection of buildings shall be issued, and no subdivision plat shall be filed with the Merrimack County Registry of Deeds until all required Land Use permits and approvals shall have been issued and a final plat, prepared in accordance with the requirements of the Northfield Subdivision Regulations, has been approved and duly recorded by the Board or appropriately secured by the subdivider.

The subdivider shall familiarize themselves with State and Town regulations relative to health, buildings, roads and other pertinent data, so that they are aware of the standards with which the proposed subdivision must apply in accordance with RSA 672:3.

Minor Subdivisions are:

1) the creation of three lots or less for building development purposes with no potential for re-subdivision , and fronting on an existing street,

**OR**

2) proposals which do not involve creation of building development lots, such as proposals for minor lot line adjustments, or boundary agreements which do not create buildable lots.

If the subdivider chooses Conceptual Consultation or Design Review, the following outlines the pre-application and formal application purpose, process, and requirements:

### CONCEPTUAL CONSULTATION PHASE – (OPTIONAL)

**PURPOSE:** To resolve any issues that may become a problem in the application stage such as: proposal's fit with Master Plan and Zoning Ordinance, applicable state and local regulations, determination of subdivision type, etc. Conceptual Consultation is **optional** for all subdivisions, but is encouraged by the Planning Board for complex subdivisions and for those that are not familiar with the subdivision process.

**HOW TO APPLY:** Time permitting; the Planning Board will conduct Conceptual Consultations under new business on a first served basis at any regularly scheduled Planning Board meeting (the first Wednesday of each month). To reserve a place on the Planning Board's agenda for consultation, contact the Planning Board Secretary 15 days prior to a regular Board meeting.

**SUBMISSION REQUIREMENTS:** No formal submission requirements (conceptual plans are discussed in general terms in this Phase).

## DESIGN REVIEW PHASE – (OPTIONAL)

**PURPOSE:** Intended to provide the subdivider an understanding of the Board's key concerns and to evaluate the problems faced in designing an approvable project, saving the subdivider unnecessary expense and changes later in the process. \* Design Review is not required for certain minor subdivisions as outlined above and in Section 5.6 of the Northfield Subdivision Regulations.
