

## Road Condition and Repair Quote.

- Roads on this list should be accessed and graded by their current condition.
  - Roads that need more than reclaim and pave prioritized from the costliest to least costly.
  - Determine which roads need to be cored to see what the sub base is to decide whether it needs to be fully boxed out and replaced with suitable material.
  - Some roads will need trees remove or ledge on them.
  - Determine what roads need engineering for drainage.
  - Quote to include per road cost estimate and total cost estimate for all roads.
  - **Roads:** Drainage, Boxing out, cold plane, reclaim and pave approximately **11.37 miles** of roads on this list.
1. Silver Lane, Sarah Lane and Megan Drive: Drainage installed 2023. Cost for reclaim and base pave needed.
  2. Bean Hill Road: Brown Engineering supplied plans 2022.
  3. Shaker Road/ Twin Bridge Road: Brown Engineering supplied plans 2022.
  4. Knowles Pond Road.
  5. The Village: Arch Street, Vine Street, Oak Street, Holmes Ave and Elm Street.
  6. Summer Street.
  7. Hidden Lane.
  8. Greenwood Drive.
  9. Turnpike Road.
  10. Sargent Street.
  11. WB Hill Road.
