## Terry-Anne Steady

Terry-Anne has been an essential figure in the Town of Northfield for many years serving as a Supervisor of the Checklist since 1988 and as a long-time resident. Terry-Anne has made a very difficult decision and has decided to step down from her position as Supervisor of the Checklist. Although we are sad to see her go, please join us in wishing her well and good health.

The Board of Selectmen are looking to appoint someone to fill the position of Supervisor of the Checklist until the March 2023 election. If you are interested, please submit your letter of interest to Town Administrator Ken Robichaud at [townadmin@northfieldnh.org](mailto:townadmin@northfieldnh.org) or Town of Northfield Attn: Ken 21 Summer Street Northfield NH 03276

## As we enjoy the nice weather remember...

Northfield offers some great amenities such as a trail systems for hiking and biking, our parks for picnicing and playing and our water access for canoeing, swimming and fishing.

To keep these systems open to the public we must all do our part and be a good community patron, neighbor and visitor.

Help us by...

- ✓ cleaning up your trash,
- ✓ be kind and share the space with other,
- ✓ if you take your pet with you please make sure that they are under your control at all times, and clean up after them.

If you see something, say something, we are always here to help keep everyone safe.

### Supervisors of the Checklist In Session

**Tuesday May 31, 2022 7pm – 7:30pm**

To hold session for corrections of checklist per RSA 654:28 & 669:5. Last day for Town Clerk / Supervisors to accept voter registration application. No additions or corrections shall be made after this session until Election Day. Except as provided in RSA 659.12 RSA 654:8,11

The Northfield Board of Selectmen are scheduling a discussion session for residents of Northfield on Tuesday June 7<sup>th</sup> at 6:00pm at the Pines Community Center 61 Summer Street, Northfield.

This session will take place concurrently with the Selectmen's regular meeting.

The purpose is to hear from Northfield residents on the possibility of a transition in 2024 to eliminate curbside trash collection and to modifying and improve our existing Transfer Station for the purpose of collecting solid waste (trash).

We are interested in hearing from residents and their ideas and thoughts on this matter, this is only a listening session, no final decisions will be made at this meeting. We anticipate that the rates for curbside collection will skyrocket in the next contract, which will impact taxes greatly.

Please plan on attending this important meeting on June 7, 2022, at 6:00pm to voice your concerns, opinions and ideas.

Are you interested in being on a Board or Committee for the Town of Northfield?

Send in a letter of interest including what Board or Committee you are interested in serving on, include your name, phone number and email address. Send it to Ken at [townadmin@northfieldnh.org](mailto:townadmin@northfieldnh.org) or Town of Northfield Attn: Ken 21 Summer Street Northfield NH 03276.

We look forward to working with you.

## Meet Nile, A Life-Sized Humpback Whale

Have you ever seen the tail of a whale?  
 The black and white patterns beneath the tail.

Every humpback's pattern is unique  
 And to many it looks like Ancient Greek.

But for scientists, we tell them apart  
 And many of them have stolen our hearts

Meet Nile, my favorite, join me and see  
 How fascinating humpback whales can be.

### Program Date and Time Slots Available

Date: Monday, July 18th 2022  
 4 slots available 2:30-4:00

To register: [rebrand.ly/HMLNile](https://rebrand.ly/HMLNile)

#### DETAILS:

To start: Pre-registration is required up for this program (a 30-minute time slot). You will receive an email with links to the resource page to watch an introductory video before coming to the library.

Library Visit: When you come to the library for your 30-minute time slot, you will get to go inside Nile and learn about how whales and humans are similar and different. Cynde will also have artifacts that you can touch like baleen, teeth and bones.

Follow up: Once you are home, you can go back to that resources page to watch a follow up video. We invite you to become a "Playground Protectors" and make a difference for our planet—starting in your backyard!
