

Town of Northfield New Hampshire Board of Selectmen
21 Summer Street, Northfield NH 03276

SUBJECT: Public Works Department Update

DATE ISSUED: 4/17/2024

Purpose: Upgrade Glines Park Restrooms

Overview: Would like to purchase bathroom paneling for the walls of the restrooms at Glines Park. With all supplies the cost will be around \$1600.00. We need to reopen the bathhouse this summer, but would like to make it so the rooms are easier to clean due to the past issues with hazardous vandalism. Public Works crew will complete the installation of the panels.

Objective: Seeking approval to modify the bathrooms at Glines Park.
