

Town of Northfield New Hampshire Board of Selectmen
21 Summer Street, Northfield NH 03276

SUBJECT: Holding Cell Construction

DATE ISSUED: May 21,2024

PURPOSE: To build a holding cell for the Police Department

OVERVIEW:

I have requested three quotes from three vendors in the area to build a holding cell for the police department. Out of the three I am recommending Lakes Region Builders for the job. Their bid was \$7,200 for the whole project. One of the three bids was low and not what we were looking for structurally. The other bid was higher and enveloped all the details required to complete the job.
