

**NORTHFIELD BOARD OF SELECTMEN MEETING**  
**Minutes of the meeting of June 30, 2014**

Present: Sel. Crowley, Sel. Waldron

Also Present: Johnny Van Tassel, Whitney LaFlamme, Glenn Smith, Bob Loranger, Don Stevens.

The meeting was called to order at 11:00am by Vice Chair Crowley on Forrest Road.

Mr. Loranger outlined his concerns relating to the water flow in a seasonal runoff behind his home and its effect on an animal crossing. Members present reviewed the cattle crossing on the Loranger property before proceeding up the Class VI road adjacent to the property. They inspected the berms that had been created on the Class VI section of road. It was noted that a fence had been erected across the Class VI section of road. Board members inspected the outlet culverts and level spreader on the Corliss (formerly Southwick) property uphill from the Loranger property. Erosion and sedimentation below the Loranger cattle crossing was also inspected. It was noted that the condition of the cattle crossing had deteriorated from the prior year.

Board members reviewed remediation options with Mr. Loranger, Mr. Stevens and Highway Superintendent Van Tassel. Glenn was asked to find and distribute the easement for the level spreader.

There being no other business the meeting was adjourned at 12:27pm
