The deed for the land on Cross Mill Road has not been executed yet; therefore, work cannot start on the property. There is talk that Ken Norton is going to attend a Selectboard meeting later this month early next month for photo op and deed signing.

The Selectman have approved the bench design for the Tom Wooten Memorial. Tom's wife approved the design with one change; she wanted fishing insignia added to the bench, therefore a fish design will be engraved into the bench. Selectman are happy to do it. The bench will be installed this fall or next spring. The Town will install a concrete base for the bench.

There have been people filling up water tanks at Knowles Pond. The pond meets the public access requirement of 10 acres; Town Administrator Glenn Smith will be asked if this okay. Also, Kevin is going to talk to Glenn about posting 'No Campfires' signs on both the Knowles Pond and Sotir kiosks, as well as make Glenn aware that a paddleboat has been left at Sandogardy Pond.

There being no other business the meeting was adjourned at 7:30 p.m.

Respectfully submitted,

Lindsey Giunta, Secretary
