

NORTHFIELD CONSERVATION COMMISSION
June 21 2017
MINUTES

Members Present: Kevin Fife, Sterling Blackey, Christina Beadle, Charlie Page

The meeting was called to order at 7:10pm.

Page/Blackey moved to approve the minutes of the meeting of May 24, 2017. **Motion passed.**

Cross Mill Road- Kevin Fife heard back from the State and has to do a Shoreline application instead of doing a permit by notification. Once he has completed the application and the State approves it, he should be able to continue the project. The driveway application that Kevin also submitted has been approved by the Highway Supervisor.

Trail Update- Sterling Blackey checked on Knowles Pond swimming area and saw that it is being littered and recently four tires have been left behind. He saw Northfield Police one day going to take a walk but the officer got called back out. Sterling went and checked on Mr. Doubleday's dock and saw that it has been moved. He also brought up that with hotter weather coming that parking may become an issue because citizens park on both sides of the road.

Other- The Commission discussed whether hunting and baiting is allowed in the Knowles Pond Conservation Area. The Commission agreed that hunting has been and is allowed during the proper seasons and dates set by New Hampshire Fish and Game. It was agreed upon that baiting not be allowed in the Knowles Pond Conservation area due to safety of citizens who walk the trails during the year with their pets.

With nothing further to discuss the meeting adjourned at 7:40 pm.

Minutes approved on 7/19/2017
