

**NORTHFIELD CONSERVATION COMMISSION**  
**January 21, 2015**  
**MINUTES**

**Members present:** Dave Krause, Sterling Blackey and Kevin Fife.

**Minutes:** Sterling Blackey moved, seconded by Dave Krause to accept the minutes of November 19, 2014 as read. Motion passed.

**Bob House on Knowles Pond:** According to Fish & Game regulations, the Town does not have any jurisdiction over any body of water over 10 acres. The Knowles Pond Conservation Area Ordinance prohibits transporting bob houses over the town land. It is not clear where the existing one was brought on to the pond. As it doesn't appear that there is any authority to have the bob house removed, Commission members will monitor the situation for now. Since the pond has been designated as electric motors only for boating, further information will be sought relative to snowmobiles and ATV's being allowed on the pond.

**Letter to abutters – Oak Hill Road:** A draft letter was reviewed and edited but not completed. Dave Krause will bring a survey of an abutting property and Eliza will contact a prior owner for further information relative to access.

**ZBA and PB – no applications**

Meeting adjourned at 7:30 pm.

Respectfully submitted,

Eliza Conde, Secretary
