

**NORTHFIELD CONSERVATION COMMISSION**  
**January 23, 2013**  
**MINUTES**

Present: Patti Howe, Dave Krause and Rich Bellerose and Kevin Fife.

**Minutes:** Dave Krause moved, seconded by Kevin Fife to approve the minutes of October 24, 2012 as read. Motion passed.

**Trail report:** Eliza Conde reported that trails at Knowles Pond are in good shape and that smaller fallen trees have been removed. On the Smart Conservation trail there is one larger tree near the river that needs to be cut. The trail on the Doubleday easement needs work on the loop at the end. There are items that have been left on the property that should be removed. The easement deed specifically states that no personal property is to be left on site. A letter will be sent to Dan Doubleday asking him to remove the items. The Commission will plan a site walk on the Sotir property soon to locate the boundaries and potential trails. There is an opportunity to create a perimeter trail on the Glines Park property at Sandogardy Pond. It was agreed to confer with the Selectmen before going any further with this idea.

**PB and ZBA applications:** No applications needing review.

**WRTA Bridge:** Dave Krause reported that the plans for the pedestrian bridge have been submitted to the NH Historical and Cultural Bureau for review. The exact location of the bridge has not yet been determined.

**Correspondence:**

- NHCC – invoice for 2013 dues – no action taken.

**Other:** Kevin Fife reported that the 4-H Teen Club is looking for places to plant 200 seedlings on town land. Members suggested Arch Park, Granite Street, Fire Dept land by exit 19 and WRSD.

Meeting adjourned at 8:10 pm.

Respectfully submitted, Eliza Conde, Secretary
