

NORTHFIELD CONSERVATION COMMISSION
February 25, 2015
MINUTES

Members present: Dave Krause, Sterling Blackey and Kevin Fife.

Minutes: Dave Krause moved, seconded by Sterling Blackey to accept the minutes of 01-21-2015 as read. Motion passed.

Abutter notification: A survey of property abutting the town owned parcel (Tax Map R2 Lot 2) was reviewed. There are two “woods” roads shown on the survey that appear to run at least to the property line of R2 Lot 2. One road is very lengthy and the other appears to go through the yard of a resident on Stevens Road. Members discussed the value of the lot with Cross Brook and the historical dams on the property. Because the shortest distance is through the Bussiere property it was decided to send a letter of interest in obtaining an access to the town property to that property owner only at this time. The letter will be circulated by email for revisions.

Granite Mills: Both Lowe’s and Home Depot have been very generous with donations to the Tilton Conservation Commission for fencing and materials. It was suggested that a request for fencing at Granite Mills could be made. The existing shed is not really usable for shelter for picnicking but is used minimally for storage in the summer.

Other:

- Sterling Blackey and Kevin Fife agreed to another 3 year term.
- Dave Krause moved, seconded by Sterling Blackey to nominate Kevin Fife as Chairman. Motion passed.

Meeting adjourned at 7:55 pm.

Respectfully submitted,

Eliza Conde, Secretary
