

**NORTHFIELD CONSERVATION COMMISSION**  
**August 22, 2012**  
**MINUTES**

Members present: Rich Bellerose, Patti Howe and Dave Krause

**Minutes:** Rich Bellerose moved, seconded by Dave Krause to approve the minutes of July 18 as read and July 24 as corrected. Motion passed.

**Review proposed land purchase:** As Dave Krause has only recently received the required down payment for survey work, he will not have a plan available for the September Planning Board meeting. He will however, meet with the Planning Board for an informal discussion relative to the Sotir subdivision and have the plan ready to submit for the October 1 Planning Board meeting..

**New contact for land purchase:** A landowner has expressed interest in selling land to the Conservation Commission. The property in question abuts Conservation land and may be of interest. At this time the final cost of purchasing the Sotir land has not been determined making it difficult to know how much funding is available. A letter will be sent to the landowner expressing an interest in the land but funding is an issue.

**Correspondence:**

- 2012 dues for UMLAC – Dave Krause moved, seconded by Patti Howe to pay the 2012 dues for UMLAC. Motion passed.

- Merrimack County Conservation District annual bulb sale

**Other:** Dave Krause reported that there is a tent and campfire set up on the Smart Conservation area.

Meeting adjourned at 8:40 pm.

Respectfully submitted,

Eliza Conde, Secretary
